the date that it is due. If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is. If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill was correct.

**Special Rule for Credit Card Purchases:** If you have a problem with the quality of property or services that you purchased with a credit card or your account, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right: (a) You must have made the purchase in your home state or, if not within your home state within 100 miles of your current mailing address; and (b) The purchase price must have been more than \$50. In this Agreement, the words "you" and "yours" refers to all persons named on the credit application and the words "we", "us" and "our" refers to the Bank or its successors or assigns. If we approve your application to open an Account, we will extend credit so that you may purchase goods and services for personal, family and household purposes from merchants which honor the Card or your Account.
- 2. ACCEPTANCE OF AGREEMENT:** The use of your Account or Card by you or anyone whom you authorize or permit to use your Account or Card means you accept and agree to terms of this Agreement.
- 3. PROMISE TO PAY:** You agree to pay us for all purchases, advances made on your Account, applicable Finance Charges and other charges or fees under this Agreement, including but not limited to, late payment fees, returned instrument fees, credit insurance charges, and debt cancellation fees, if any, incurred by you or anyone you authorize or permit to use your Account or Card, plus collection costs, including court costs and reasonable attorneys' fees if not prohibited by applicable law. If your Account is a joint account, you and your joint Accountholder each agree to pay and are jointly and individually responsible for all amounts owed on your Account; this means that we may collect these amounts from each of you or from all of you. Payments are to be made in U.S. Dollars.
- 4. BILLING STATEMENT:** We will send you a billing statement periodically (normally monthly) after each billing cycle in which you have a balance in excess of \$1.00. The billing statement will show all purchases, Finance Charges and other charges or fees, including credit insurance if applicable and debt cancellation if applicable, and all payments and other credits posted to your Account during the billing cycle. The billing statement will show the amount owed on your Account. The total amount owed is called "New Balance" on your billing statement subject to the terms of special Credit Plan purchases, if any, as indicated below. Payments are due at our offices on or before the Payment Due Date shown on your billing statement.

- 5. CREDIT PLANS:** In addition to purchases that accrue Finance Charges and require minimum payments as described below, the following special Credit Plans may be offered from time to time only as specified on the sales slips honoring the Card or your Account or indicated on the periodic billing statement: NO PAY (Delayed Payment) - No minimum monthly payment will be due until the payment due date of the billing cycle following the expiration of the delayed payment period, with Finance Charges accruing from the date of purchase. NO INTEREST (Waived Finance Charges) - No Finance Charges will accrue on the purchase until the day following the expiration of the "no interest" promotional period, with minimum monthly payments due each billing cycle. NO INTEREST/NO PAYMENT (Waived Finance Charges/Delayed Payment) - No minimum monthly payments will be due and no Finance Charges will accrue on the purchase until the expiration of the deferred period. SAME AS CASH - Finance Charges will accrue on the purchase from the date of purchase and minimum monthly payments will be due each billing cycle. If, however, you pay the cash sales price of the purchase by the promotion expiration date as indicated on your billing statement, no Finance Charges will be due on the purchase. NO PAY/SAME AS CASH (Delayed Payment/Same as Cash) - Finance Charges will accrue on the purchase from the date of purchase but no minimum monthly payments will be due prior to the promotion expiration date as indicated on your billing statement, and if you pay the cash sales price of the purchase by the promotion expiration date, no Finance Charges will be due on the purchase. FREE FINANCING (Waived Finance Charges/Payment Required) - We will not add Finance Charges on your purchase for a specific period of time assuming you make the required minimum payment and the account is paid as agreed; if a balance remains after the term of the specified period expires, Finance Charges are assessed at the rate disclosed in this Revolving Credit Agreement. REDUCED RATE - A reduced rate Finance Charge will be applied to the balance attributable to the purchase until the expiration of the reduced rate period or payment in full of the reduced rate balance, whichever occurs first. INTRODUCTORY PLAN - Finance Charges will accrue on the purchase from the date of purchase. The same amount of payment will be due for a certain number of months, after which the minimum monthly payment will be due each billing cycle. All purchases that do not fall under one of the special Credit Plans described above are referred to as Regular Plan Purchases. You can obtain more information about the availability of the Credit Plans from the merchant who honors this Account. We may cancel the availability of any of the Credit Plans at any time for any reason.

- 6. MINIMUM PAYMENT DUE:** You agree to pay us at least the Minimum Payment Due reflected on your statement. If you wish, you may pay more than the Minimum Payment Due and at any time you may pay the entire amount due. All payments, except disputed payments, must be mailed or delivered to us at the address shown on your monthly billing statement. Disputed payments including those which indicate that the payment constitutes "payment in full" of the amount owed must be mailed or delivered to the address shown on your monthly statement. The Minimum Payment Due will be the total of the minimum payments required for each Credit Plan, plus any amount past due, plus **3.0%** of fees outstanding. Each purchase is considered a separate Credit Plan. The minimum payment for each Credit Plan that requires minimum payments, (excepting the Free Financing Credit Plan) is the greater of **\$15 or 3.0%** of the amount of your purchase that you financed, (excluding Finance Charges, late payment and returned instruments fees). The minimum payment on the Free Financing Credit Plan is determined by dividing the purchase balance equally over the agreed term to provide equal monthly payments. For the No Pay, No Interest/No Payment, and No Pay/Same As Cash Credit Plans, if you do not pay the full amount financed before the promotion expiration date, and Finance Charges for the promotion period are applied to your account, a new minimum payment will be calculated after the promotion expiration date which is the greater of **\$15 or 3.0%** of the remaining balance of such Credit Plan including all finance charges and associated insurance premiums and debt cancellation fees. The Minimum Payment Due is shown on your billing statement and is rounded to the next higher dollar. You agree that any payment may be returned to you if your check or other payment instrument is: (a) not drawn on U.S. Dollars on funds on deposit in the U.S.; (b) missing a signature; (c) drawn with different numeric and written amounts; (d) contains a restrictive endorsement; (e) postdated; (f) drawn on a credit account issued by Citicorp Trust Bank, fsb or its affiliates; (g) not paid on presentment. We can accept late payments,

partial payments or checks and payment instruments marked with words of condition or limitation, such as "payment in full," without losing any of our rights under this Agreement.

**7. APPLICATION OF PAYMENTS:** Subject to applicable law: (a) we will allocate Payments to amounts owed on your Account at our discretion; (b) we will allocate, at our discretion, the portion of the debt that is cancelled pursuant to any debt cancellation provision applicable to your Account; and (c) we may change at any time, and from time to time, the manner we allocate such Payments or the particular portion of such debt that is cancelled. Each such Payment will be applied as of the date we receive it.

**8. FINANCE CHARGES:** The Finance Charge is part of the interest on your Account. The Finance Charge for each billing cycle is computed by multiplying the "Average Daily Balance" by the applicable daily periodic rate times the number of days in the billing cycle. For all purchases except purchases under the Reduced Rate special Credit Plan, the daily periodic rate is **0.065726%** (corresponding **23.99% ANNUAL PERCENTAGE RATE**) (the "Standard Rate").

We may also offer one or more Reduced Rate special Credit Plans with applicable daily periodic rates as follows or as otherwise specified on the sales slip honoring the Card or your Account: **0.013671%** (corresponding **4.99% ANNUAL PERCENTAGE RATE**); **0.027370%** (corresponding **9.99% ANNUAL PERCENTAGE RATE**); **0.032849%** (corresponding **11.99% ANNUAL PERCENTAGE RATE**); or **0.041068%** (corresponding **14.99% ANNUAL PERCENTAGE RATE**). These reduced rates will apply only as specified on the sales slips honoring the Card or your Account, will apply only to the balance attributable to the purchase under the Reduced Rate special Credit Plan, and will apply only for the duration of the reduced rate period, after which the Standard Rate will apply.

We use the "Average Daily Balance" of each Credit Plan to calculate total Finance Charges on your Account. Finance Charges are calculated on each Credit Plan, and each purchase is considered a separate Credit Plan. We start with the beginning balance of each Credit Plan. We do not include unpaid Finance Charges or fees in the beginning balance. We subtract any payments or credits. This gives us the daily balance. Then we add up all the daily balances for the billing period and divide by the total number of days in the billing period. This gives us the "Average Daily Balance" of each Credit Plan. We then add together the Finance Charge amounts to get the total Finance Charge on the Account. In addition, if you make a purchase under a No Pay or a Reduced Rate Credit Plan, we will add the amount of Finance Charge that has accrued on the Average Daily Balance of the purchase from the date of purchase through and including the last day of the deferred period. We will charge you a minimum **FINANCE CHARGE** of **\$50** for each billing cycle in which a **FINANCE CHARGE** is due.

Finance Charges for all purchases except special Credit Plan purchases begin to accrue on the date of sale unless delivery is more than ten (10) days after the date of sale, in which case such charges begin on the date of delivery. Finance Charges on No Pay purchases begin to accrue from the date of purchase. For No Interest purchases, the Finance Charge will accrue on the purchase as of the first day following the expiration of the "no interest" period indicated on the billing statement. On No Interest/No Payment purchases, Finance Charges will accrue from the first day after the deferred period ends. If the Same as Cash purchase and the No Pay/Same As Cash purchase balance is not paid in full upon expiration of the deferred period, the Finance Charge will be earned and added to the balance for that month. If the Free Financing purchase balance is not paid during the deferred period as scheduled, Finance Charges will be earned at the rate disclosed in this Revolving Credit Agreement and added to the balance for that month. Reduced Rate - A reduced rate Finance Charge will be applied to the balance attributable to the purchase until the expiration of the reduced rate period or payment in full of the reduced rate balance, whichever occurs first.

**9. CREDIT INSURANCE AND DEBT CANCELLATION:** If you elect any credit insurance coverage or debt cancellation in connection with your Account, you authorize us to charge the insurance premium or debt cancellation fee (as the case may be) to your Account on a monthly basis. You understand the amount of the insurance premium or debt cancellation fee (as the case may be) is based on the Balance of your Account outstanding at the end of each periodic billing cycle.

**10. CREDIT LIMIT:** You agree not to let the Account Balance, including

Finance Charges, exceed the credit limit established for you by us from time to time and shown on your billing statement. We do not have to honor any use of your Card or your Account which would cause you to exceed your credit limit, but if we do, you agree to repay the amount by which your credit limit is exceeded, plus Finance Charges immediately. We reserve the right to not increase your available credit by the amount of your Payment until ten (10) business days after receipt of such Payment.

**11. LATE PAYMENT FEE:** For each billing period in which we fail to receive payments or credits on your Account at least equal to the Minimum Payment Due on or before the fifth (5th) day following the Payment Due Date shown on your billing statement, you agree to pay us a **\$29** late payment fee.

**12. RETURN INSTRUMENT FEE:** If any check, other instrument, or direct debit for payment on your Account is dishonored or returned unpaid for any reason, you agree to pay a return instrument fee of **\$20**.

**13. CHANGE OF TERMS:** To the fullest extent permitted by applicable law, we may, at any time, and from time to time, amend this Agreement in any respect. Without limiting the foregoing, such amendment may change terms by the addition of new terms or by the deletion or modification of then-existing terms, whether relating to benefits or features of your Account or this Agreement, fees, the rate or rates of periodic interest, the manner of calculating periodic interest or outstanding unpaid indebtedness, the manner for amending the terms of this Agreement, arbitration or other alternative dispute resolution mechanisms, and/or other matters of any kind whatsoever. Any amendment may, on and after its effective date, apply to all then outstanding unpaid indebtedness in your Account, including any such indebtedness that arose prior to the effective date of the amendment. Any amendment that does not increase the rate or rates of periodic interest charged may become effective as determined by us. However, if any amendment will cause the rate or rates of periodic interest to increase, we will mail to you at the address shown in our records, at least 15 days before the effective date of such amendment, written notice of the amendment and the effective date. Any amendment that increases the rate or rates of periodic interest charged by us will become effective if you do not, within 15 days of our mailing notice of such amendment, furnish written notice to us that you do not agree to accept such amendment. Unless we notify you otherwise, use of your Account on or after the effective date of such amendment shall be deemed acceptance by you of such amendment even if you sent us notice that you did not accept the amendment. Notwithstanding the above provisions of this Paragraph 13, no notice required by this Paragraph 13 of an amendment shall be required and any amendment may become effective as of any mutually agreed date, with respect to any amendment that is agreed upon between you and us. If your Account is a joint account, any such amendment that is agreed to by one Accountholder shall bind both Accountholders.

**14. DEFAULT:** You will be in default under this Agreement upon (a) your failure to make at least the Minimum Payment Due when due, (b) your violation of any other provision of this Agreement, (c) your death, (d) your becoming the subject of bankruptcy or insolvency proceedings, (e) your becoming the subject of attachment or garnishment proceedings, (f) your supplying us with misleading, false, incomplete or incorrect information, or (g) our receipt of information that you are unable or unwilling to perform the terms or conditions of this Agreement. After default, all your Account Balances including special Credit Plan balances will accrue Finance Charges at the contract rate in effect at the time of default. Upon default, we have the right to (a) terminate your credit privileges under this Agreement, (b) cancel the terms of all special Credit Plans with the balances to be paid according to the standard terms in this Credit Agreement, (c) require you to pay your entire Account Balance including special Credit Plan balances, all accrued but unpaid Finance Charges and other charges provided for in this Agreement immediately, (d) cancel any credit insurance coverage applicable to your Account, and (e) bring an action or proceeding to collect all amounts owed. To terminate this authority, you must retrieve the Card from the previously authorized user and return it to us at the address shown on your billing statement or the address indicated below, together with a letter explaining why you are doing so.

**19. LOST OR STOLEN CARD:** You agree to notify us immediately if your Card is lost or stolen, or if you think someone is using your Account without your permission. Goods covered by a security interest may be taken from you if you do not pay on time. We may require you to make them available at a convenient place of our choice. We waive any security interest in your principal dwelling that we would otherwise secure any obligation hereunder.

**23. We may inform the merchant of your line of credit on your Account. You authorize us to obtain a consumer report from consumer reporting agencies in considering this application, and for the purpose of an update, renewal, extension of credit, review or collection of your Account. If you ask whether or not a consumer report was requested, we will tell you and if we received a report, we will give you the name and address of the agency that furnished it.

**24. PRIVACY PRACTICES:** From time to time we may listen to or record telephone calls between you and us for the purpose of monitoring and improving the quality of services you receive.
